Subpart C—Disposition of Petitions

SOURCE: T.D. 00-57, 65 FR 53577, Sept. 5, 2000, unless otherwise noted.

§ 171.21 Written decisions.

If a petition for relief relates to a violation of sections 592, 593A or 641, Tariff Act of 1930, as amended (19 U.S.C. 1592, 19 U.S.C. 1593a, or 19 U.S.C. 1641), the petitioner will be provided with a written statement setting forth the decision on the matter and the findings of fact and conclusions of law upon which the decision is based.

§ 171.22 Decisions effective for limited time.

A decision to mitigate a penalty or to remit a forfeiture upon condition that a stated amount is paid will be effective for not more than 60 days from the date of notice to the petitioner of such decision unless the decision itself prescribes a different effective period. If payment of the stated amount or arrangements for such payment are not made, or a supplemental petition is not filed in accordance with regulation, the full penalty or claim for forfeiture will be deemed applicable and will be enforced by promptly referring the matter, after required collection action, if appropriate, to the appropriate Office of the Chief Counsel for preparation for referral to the Department of Justice unless other action has been directed by the Commissioner of Customs.

§ 171.23 Decisions not protestable.

(a) *Mitigation decision not subject to protest.* Any decision to remit a forfeiture or mitigate a penalty is not a protestable decision as defined under

the provisions of 19 U.S.C. 1514. Any payment made in compliance with any decision to remit a forfeiture or mitigate a penalty is not a charge or exaction and therefore is not a protestable action as defined under the provisions of 19 U.S.C. 1514.

(b) *Payment of mitigated amount as accord and satisfaction.* Payment of a mitigated amount in compliance with an administrative decision on a petition or supplemental petition for relief will be considered an election of administrative proceedings and full disposition of the case. Payment of a mitigated amount will act as an accord and satisfaction of the Government claim. Payment of a mitigated amount will never serve as a bar to filing a supplemental petition for relief.

§ 171.24 Remission of forfeitures and payment of fees, costs or interest.

Any seizure subject to forfeiture may be remitted or mitigated pursuant to the provisions of 19 U.S.C. 1618 or 31 U.S.C. 5321, as applicable. Any person who accepts a remission or mitigation decision will not be considered to have substantially prevailed in a civil forfeiture proceeding for purposes of collection of any fees, costs or interest from the Government.

Subpart F—Expedited Petitioning Procedures

§ 171.51 Application and definitions.

(a) *Application.* The following definitions, regulations, and criteria are designed to establish and implement procedures required by section 6079 of the Anti-Drug Abuse Act of 1988, Pub. L. 100-690, title VI (102 Stat. 4181). They are intended to supplement existing law and procedures relative to the forfeiture of property under the identified statutory authority. The provisions of these regulations do not affect the existing legal and equitable rights and remedies of those with an interest in property seized for forfeiture, nor do these provisions relieve interested parties from their existing obligations and responsibilities in pursuing their interests through such courses of action. These regulations are intended to reflect the intent of Congress to minimize the adverse impact occasioned by the prolonged detention of property subject to forfeiture due to violations of law involving possession of personal use quantities of controlled substances. The definition of personal use quantities of controlled substance as contained herein is intended to distinguish between those quantities small in amount which are generally considered to be possessed for personal consumption and not for distribution, and those larger quantities generally considered to be subject to distribution.

(b) *Definitions.* As used in this subpart, the following terms shall have the meanings specified:

(1) *Appraised value.* “Appraised value” has the meaning given in § 162.43(a) of this chapter.

(2) *Commercial fishing industry vessel.* “Commercial fishing industry vessel” means a vessel that:

(i) Commercially engages in the catching, taking, or harvesting of fish or an activity that can reasonably be expected to result in the catching, taking, or harvesting of fish;

(ii) Commercially prepares fish or fish products other than by gutting, decapitating, gilling, skinning, shucking, icing, freezing, or brine chilling; or
